“The Army’s Best Golf”

Widely recognized as one of the military’s premier golf facilities, Fort Jackson Golf Club consists of two championship golf courses, a comfortable clubhouse with all the amenities and services you expect.

The **Wildcat Course** is a beautiful layout that is routed through pines and over the rolling sand hills. Wildcat’s 17th hole offers a gorgeous view of downtown Columbia.

The **Old Hickory Course** offers the player a serious challenge with its demanding driving holes that play over and around a variety of ponds, lakes and wetlands.

FJGC also offers you outstanding practice facilities, with three putting greens, a green to practice your pitching and bunker play. An enormous range with numerous target greens plus the Bobcat Shot Course (3 holes, 60-70 yards).

The Golf Club Snack bar, offers golfers and non-golfers a relaxed atmosphere to enjoy a delicious lunch or a drink with your friends.

Visit the Golf Shop to see our wide selection of equipment and apparel to suit the needs of every golfer. Clubfitting is offered by our staff of PGA professionals. We also welcome special orders if you have trouble finding that special club.

Private lessons and group clinics are provided by our three PGA professionals.

Annual Memberships & Monthly Fees*

Note: The rates indicated below are individual rates. An additional monthly fee of \$15 for the first family member added to your membership, and only \$5 for each additional family member.

*Annual fees are billed monthly to your Visa, MC, AMEX, Discover or Debit Card.
