MY ARMY POST APP

Need a little help getting around Fort Jackson? Well, help is on the way in the form of a new, user-friendly smartphone application that provides the Fort Jackson community with information and resources such as MWR facility hours, events and services, calendar events and more.

Fort Jackson has joined many installations across the Army to provide digital resources via the **My Army Post App**. The app contains resources for newcomers, Soldiers, Families and visitors coming on post for graduations.
