Golf Channel. The winners of the twelve scheduled qualifiers for the Military Long Drive Championship will compete for the MLD. Fort Jackson Golf Club will host a qualifier on Saturday, March 30. The MLD Qualifier is open to active duty, retired military, National Guard and reservists. In the Men's Division of the WLD, it is anticipated that over 50 of the "longest hitters in the land" will attempt to qualify for the final stage of the 2019 World Long Drive Championship. There will also be 10-20 women competing to advance to the finals of the Women's Division of the World Long Drive Championship. Qualifying for the WLD will take place on May 5 & 6. Both competitions will take place on the first hole of the Wildcat Course. Expect to see some changes to the tree lines and greenside bunkering of #1 to accommodate the 450 yard long, 50 yard wide grid needed to host the WLD qualifier.

Also, The Golf Channel will be on site in late April to begin setting up the hitting platform, grandstands (1000+seating) and laying out the competition grid. You can expect to see Wildcat #1 set up as a par four, as well as, modified routing for cart and player traffic for a couple of weeks. Play on Wildcat will also be restricted during the competition. We will be reaching out for volunteers to assist on the Driving Range and on the competition grid once requirements are finalized. This will be a great opportunity to showcase FJGC and Fort Jackson. Plan to join us for a memorable event! RANGE CLUB

Make 2019 the year you work to reduce your handicap! Joining the FJGC Range Club is a great first step. A yearly membership to the Range Club is only \$225. Each additional Family member can be added to a Range Club Membership for an additional \$25 per person. Each Range Club member will be issued two range ball bags. Before each practice session, simply return your empty bags to the Golf Shop and exchange them for two full bags. Any lost or missing bags can be replaced for a \$5 charge.

We would like to remind ALL Range Club Members that your range balls are for your personal use only

and cannot be shared with another person. We also ask that you NOT keep filled bags of range balls in your vehicle. The storage of balls in your vehicle greatly REDUCES the number of balls available to our patrons. In turn, this requires us to collect balls off the range more frequently and increases our labor costs. Of course, increased costs will be passed along to all of our customers!

GREAT SHOTS

We are pleased to pass along the following reported "Great Shots" for January and February 2019. Three FJGC patrons recently recorded a hole-in-one. Haywood Seymore and Richard Strobel aced Wildcat's thirteenth hole. Taylor Cole's tee shot found the bottom of the cup on Old Hickory's sixth hole. Dan DePrato got off to a fast start when he recorded an eagle "3" on Wildcat's first hole. Mike Bellon holed out his third shot for eagle on Old Hickory's seventh hole. Great work to all of you and congratulations on your "Great Shot." We encourage everyone to take a moment to report all great and/or unusual accomplishments so we can include them in the next "Tee Times."

2019 INTRAMURAL GOLF LEAGUE

Register your team for this year's Intramural Golf League by contacting the Sports Office, 751-3096. Letter of Intent (LOI) must be submitted to the Sports Office NLT March 26, 2019. JUNIOR GOLF 2019 The highly successful FJGC Junior Golf Program tees off on June 10! The FJGC Junior Golf Camps have seen significant growth over the past couple of years and we'd like to see more growth in 2019! Your FJGC PGA professionals will again conduct three Junior Golf Camps in 2019. The dates of this year's Junior Golf Camps are: June 10-14, July 22-26 and August 5-9. Daily class times are as follows: 6-9 year olds is 8-9:30 a.m., 10 and older will be 10:00-11:30 a.m. Contact one

of our PGA professionals or stop by the club to register your child or grandchild, and their friends, for clinics, play days, tournaments, etc. The fee to attend one of this year's Junior Golf Camps is only \$45 and includes a hat and T-shirt. Juniors can attend two camps for \$65 and all three for just \$85!

ON THE COURSE... Another spring is on the horizon and we will welcome it with open arms, seeing the

turf return to green and the warmer playing conditions is a good thing. The winter was wet, but fortunately warm for the most part and the greens are awake and growing as we have been mowing them daily for the past three weeks. All the turf that was good going into the winter has returned for the spring with the exception of #14 Wildcat and #12 Old Hickory. Both of these greens along with multiple greens with small patches of last years damaged areas will be re-sodded starting in two weeks. We have coordinated with the "Champion Turf" folks out of Texas to have two truckloads of sod shipped in to make the repairs to the damaged greens. The first load will be applied to the small damaged areas on the multiple greens and the next will be applied to the entire damaged greens.

The staff over the winter has taken on the project of pruning low hanging limbs around the courses and we think it looks and feels much more open and cleaner in areas where the limbs had grown very low. We have also been sodding some of the damaged areas in fairways to include #1 Wildcat and #11 Wildcat. Wildcat #1 will also be hosting the National Long Drive Championship the first of May, so you will be seeing some changes made to accommodate the event. We will be overseeding the entire hole this week and sodding in the greenside bunkers only for the event.

Thanks for all the positive comments to the repairs and improvements. We encourage the open communication on the status of your courses. If you ever have questions you feel are not addressed to your satisfaction please email me directly and we can chat about your understanding of the results that you are seeing. GOLF SHOP NEWS

As spring arrives, so comes a variety of new merchandise and golf equipment. New in the shop for the ladies are clothing from EP Pro and Bermunda Sands. A variety of golf accessories to include FootJoy and Adidas shoes, Clicgear push carts, Golf Buddy range finders and Titleist hats.

What Callaway, Ping, and TaylorMade are Saying...

Callaway's primary goal has been to increase ball speed to deliver what most golfers want—more distance. That was the basis of the Jailbreak technology when it debuted on the original Callaway Epic. The latest enhancement to Callaway Epic Flash is to deliver even more ball speed across the entire face of the club, on both center and off-center strikes. The engineers at Callaway used Artificial Intelligence to help design the face this time. Long story short, Callaway *claims* that they will deliver more distance for golfers yet again while working within the limitations of the USGA.

Ping: Even though Ping's new family of drivers has a model with an adjustable center of gravity (G410 Plus), the line retains its extreme stability. This means your mis-hits will be nearly indistinguishable from your center strikes. One key feature is a weight-saving, super-thin crown designed with narrow support

FOR CIVILIANS

veins like those on a dragonfly's wings. This allows the Plus model to have a 16-gram weight that seamlessly fits into draw, neutral and fade positions in the rear perimeter. On the lighter, slice-fighting SFT model, extra mass moves to the heel to help you square the face at impact.

TaylorMade: Instead of extra adjustability, some of us just want maximum forgiveness. In place of sliding weights, large panels of carbon composite fill the sole. They flank a weighted center section, allowing mass to be placed low and deep on the standard model. There's also a D-Type with 46 grams in the heel area to beat back a slice. And the face? Like the M5, the twisted-face shape helps minimize mis-hits. TaylorMade also starts with an extra-fast (nonconforming) face. Then, the head is injected with resin to bring the speed back under the limit. This intense manufacturing process aims to push every TaylorMade face closer to the edge than the norm.

Fit your driver, fairway woods, irons, and putter. Ask one of the Golf Professionals about getting fitted. If you have any questions or need any assistance concerning golf equipment or special orders please ask the Pro Shop Staff.

Our Installment Plan is available for purchase of \$300 or more. Trade-ins of used clubs are offered. Callaway Trade In, Trade up is also available when you purchase Callaway golf equipment.

MOST IMPROVED GOLFERS FOR 2018

FJGC recognizes Kaitlyn Stonehill and Walter Freeman as the club's Most Improved Golfers for 2018. Miss Stonehill began the 2018 season with a USGA Handicap Index of 25.9 and ended the year with an index of 14.5! Mr. Freeman was carrying an index of 12.3 at the start of the year but ended 2018 with a Handicap Index of 8.2! Congratulations to you both. All that hard work has shown the results! It only takes a few minutes!

FJGC/PGA CHAMPIONSHIP

On the weekend of May 18 & 19, you can team up with one of the PGA Tour players making the cut at this year's PGA Championship. Your team score will consist of your net score plus your Tour player's score. Handicaps will be adjusted based on tees being played. Daily winners for both the Saturday and Sunday round will be awarded. Entry Fee is \$5 per person. Register on the first tee each day.

FORT JACKSON TOURNAMENT -VICTORY WEEK

Mark your calendar and get your team together for the four-person, Captain's Choice Victory Week Tournament to be held on Friday June 7th (9:00 a.m. shotgun start) as part of the Fort Jackson's Victory Week Celebration. We anticipate a full field for the tournament which will be flighted with gross and net prizes PLUS a nice tee pack. More info to come!

PROPER ATTIRE REMINDER

For men, collared shirts or a sport shirt is required when playing golf at FJGC. Women may wear collared shirts or sleeveless blouses with broad straps across the shoulders. T-shirts, cut-offs, tank tops or similar attire is prohibited. For first time visitors, some leniency is provided in order to assure that their first visit to FJGC is a positive one.

ETTIQUETTE REMINDER

Keep in mind that your goal should be to keep up with the group ahead of you, not in front of the group behind you. Be considerate and let faster groups play through!

JUST A REMINDER

User fee must be paid for each round of golf you play. User fees are not good for the whole day.

THINK ABOUT IT....

If you have paid fees to walk your round of golf, is it right that you hitch a ride with a patron that PAID cart fees or to put your clubs on their cart?

HANDICAP CART POLICY

Recently, numerous concerns have been voiced regarding abuse of the Handicap Cart Policy. In order to obtain enhanced cart access due to physical limitations, one must submit the required documentation to the Admin Office which is then reviewed by members of the GAC. Patrons are reminded that carts MUST be kept at least 20 feet from the putting surfaces. Also, carts are NOT permitted between the green and bunkers. Everyone's cooperation is greatly appreciated.

KEEP UP-TO-DATE BY EMAIL

Currently, we have email addresses for over 80% of our members. The club newsletter, tournament announcements, demo days, etc., are provided to FJGC members through our email database. If you're not receiving FJGC emails, stop by the Admin Office and sign up so you can keep in touch. It only takes a few minutes!

ANSWERS:

PGA JUNIOR LEAGUE GOLF

We are happy to announce that Fort Jackson Golf Club will again be participating in this year's PGA Junior League Golf (PGAJLG) in 2019. Our minimum goal is to fill a 12-player team which consists of boys and girls ages 13 and under, in order to participate in the June-July regular season. If participation grows significantly, we will conduct our own PGA Junior League with all matches being played at FJGC. The final scheduling details are currently being worked out. Price is only \$175.00 per child. Registration deadline is April 30th!

The PGAJLG, the fastest growing junior golf program, was created in 2011 as an idea to join the successful "little league baseball" concept that many of your kids and yourself grew up playing with the great game of golf created by League Golf out of Atlanta, GA. In their first year there were 120 teams representing four select markets. This concept was launched nationally in 2013 after the continued success in the 2012 season. PGA Junior League is designed to better socialize the game of golf for boys and girls ages 13 and under. The competitions are structured in a "team vs. team" format with the teams in leagues depending on geographical location. The juniors play the less stressful and very popular scramble format as opposed to stroke play.

Teams consist of 10-12 junior golfers; they wear team jerseys, home and away, with numbers to represent the "little league" concept. This concept also flowed into how the teams compete. The idea is to create as many birdies, pars and even eagles as possible, just like getting players to make contact while learning to hit in baseball. The format is a scramble format with the matches scored using match-play so the players are battling each other and not the course. This has proven to provide a much more fun and less stressful environment for the juniors.

PGA Junior League Golf will be a fun, Family-oriented activity with parents serving as Team Managers and Team Moms. So parents, be prepared to participate, too!

The Columbia league schedule for this season takes place from June through July with Regional and National Championships in August and September. This is not a yearlong, time consuming initiative. It encourages club members' children who may not currently play golf to gain an interest through this exciting, fun, team-based program.

If you have a child or grandchild that would like to join a team(s) representing Fort Jackson Golf Club, please contact David Brown, FJGC Assistant Professional at (803)787-4437 or at david.m.brown581.naf@mail.mil. Visit <http://fortjacksonmwr.com> to register. League play begins in June so don't delay!
