FUNTIMES AT **THE FORT SERIES**

HALLOWEEN **SAFETY**

Fort Jackson has announced the official hours for trick or treating through on post housing **Oct. 31st.**

The official time for going door to door for treats is from 5:30-8:30 p.m. Fort Jackson Fire Department and Fort Jackson Police Department will be in the housing areas passing out treats and keeping the fun safe for all.

Trick-or-treating should be a time of fun and dressing up safely. Here are some tips to keep your holiday time safe.

GENERAL SAFETY

- Travel in small groups and be accompanied by parents or an authorized adult chaperon
- Children should never go into homes. Stay on the porch when asking for treats
- Children should avoid homes that don't have their outside lights turned on
- Discard all unwrapped or loosely wrapped candy or fruit
- Parents should cut into fruit, such as apples, to make sure they do not contain foreign objects

COSTUMES

- Wear bright, reflective clothing to be easily visible on streets and sidewalks
- Wear sneakers or comfortable walking shoes
- If a child wears a face mask, ensure it does not obstruct vision
- Avoid any unknown animals. They may easily become frightened
- Try to avoid toy weapons
