AIRCRAFT AND PERSONNEL AUTOMATED CLEARANCE SYSTEM

Privacy Act Statement

Authority: 10 U.S.C. 3013, Secretary of the Army; 10 U.S.C. 5013, Secretary of the Navy; 10 U.S.C. 8013, Secretary of the Air Force; 22 U.S.C. 4801, Findings and purpose; 22 U.S.C. 4802, Responsibility of Secretary of State; and 22 U.S.C. 4805, Cooperation of other Federal Agencies; Public Law 99-399, Omnibus Diplomatic Security and Antiterrorism Act of 1986; Department of Defense Directive 4500.54E, DoD Foreign Clearance Program; DoD Directive 5400.11, Privacy Program; NIST.SP.800-53r4, Security and Privacy Controls for Federal Information Systems and Organizations; Privacy Act of 1974.

Purpose: This system is a web-based application operated by the U.S. Air Force due to the Secretary of the Air Force being designated as the Department of Defense (DoD) Executive Agent for the DoD Foreign Clearance Program. It is designed to aid DoD mission planners, aircraft operators and DoD personnel in meeting host nation aircraft diplomatic and personnel travel clearance requirements outlined in the DoD Foreign Clearance Guide. APACS provides requesting, approving, and monitoring organizations (i.e., country clearance approvers at U.S. Embassies, Geographical Combatant Commands (GCC) theater clearance approvers, and Office of the Secretary of Defense (OSD) special area clearance approvers) access to a common, centralized, and secure database that contains all the information required to process/approve foreign travel clearances.

Routine Use: Congressional Inquiries Disclosure Routine Use: Disclosure from a system of records maintained by a DoD Component may be made to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of that individual.

Disclosure of Information to the General Services Administration Routine Use: A record from a system of records maintained by a DoD Component may be disclosed as a routine use to the General Services Administration for the purpose of records management inspections conducted under authority of 44 U.S.C. 2904 and 2906.

Disclosure of Information to the National Archives and Records Administration Routine Use: A record from a system of records maintained by a DoD Component may be disclosed as a routine use to the National Archives and Records Administration for the purpose of records management inspections conducted under authority of 44 U.S.C. 2904 and 2906.

Disclosure: User disclosure of PII is voluntary. However, failure to furnish the requested information may result in denial of aircraft and/or personnel travel clearance requests.

System of Records Notice: F011 AF A3 B DoD - DoD Foreign Clearance Program Records (January 03, 2012, 77 FR 94).

User Consent to Collection and Disclosure of Personally Identifiable Information (PII)

APACS collects Personally Identifiable Information (PII). By using this system, the user consents to the collection, use, maintenance, dissemination and retention of PII. All PII collected, used, maintained, disseminated and retained by APACS is used only for the identification of user accounts, for the processing of aircraft and personnel travel requests and for generating reports to approver organizations. PII may be viewed by all roles involved in the stated purposes above, including system administrators and software developers within the capacity of troubleshooting and issue resolution. All PII is safeguarded in a manner consistent with the NIST.SP.800-53r4 and DoD Directive 5400.11, Privacy Program. Public disclosure of PII is in accordance with the Privacy Act of 1974.

Traveling through Canada

CITIZENSHIP REQUIREMENTS/IDENTIFICATION

Divorced parents who share custody of their children should carry copies of the legal custody documents. Adults who are not parents or guardians should have written permission from the parents or guardians to supervise the children. When traveling with a group of vehicles, parents or guardians should travel in the same vehicle as the children when arriving at the border. Customs officers are looking for missing children and may ask questions about the children who are traveling with you.

At the Canadian Border

What to Expect at the Border

- You will be expected to provide the pertinent identification to enter Canada.
- Your vehicle may be inspected/searched.
- You will be asked to fill out customs documents and a questionnaire.

Traveling with Firearms

Canada has three classes of firearms: non-restricted, restricted, and prohibited. Handguns are considered restricted firearms in Canada. A restricted firearm may be brought into Canada, but an Authorization to Transport permit must be obtained in advance. Seized firearms and weapons are never returned. The easiest way to transport firearms is to have them crated and shipped to your destination via a commercial carrier.
